

## PEPPER YOUTH 2012

### PARENTAL CONSENT FORM

NAME OF PEPPER YOUTH APPLICANT \_\_\_\_\_

I (please insert your name) \_\_\_\_\_ give my permission for my son/daughter, as named above, to take part in this year's Pepper Concert - 24 Carat Pepper - on 13, 14, 15, 18, 19, 20, 21, July 2012. I consent to my child being available for all performances.

I undertake to ensure that s/he attends all rehearsals, including Sunday rehearsals, as called, unless there is good reason for absence. If this is the case, I undertake to inform the Pepper Youth Team of such absence in writing, in advance of the said absence.

I have read the instructions and guidelines issued to me and I will ensure that my son/daughter will be dropped off at and collected from their rehearsals at the times specified on the rehearsal schedule. I acknowledge that Pepper Youth do not have the facility to look after my child outside of their scheduled rehearsal times.

I enclose a cheque for the sum of £12/£7, made payable to 'Pepper Events Limited' with the name of my son/daughter written on the reverse. I also enclose a stamped, addressed envelope for notification of allocation and rehearsal details to be sent out to me in due course.

I also give my permission for Pepper to take photographs of my child, which may be used for publicity purposes solely relating to Pepper Events (i.e. for inclusion in the show programme). I also give my permission for video footage to be taken during auditions/rehearsals, which may be used in the production or for publicity. I understand that any photographs/video footage of my child that may be used will be done so without the identity of my child being published or made public.

I understand that Pepper Youth reserve the right to remove my child from the production for poor attendance at rehearsals and/or inappropriate behaviour if necessary.

Finally, I also confirm that I am happy to offer assistance by acting as a rehearsal chaperone/helper for at least one session (whilst my child is in attendance).

Signed (Parent/Guardian) \_\_\_\_\_
